## **From the Chairperson**

Some good suggestions for exhibitions came from the meeting due to my letter last month, although help wasn't one of them. It is the one we need the most.

If we only get 2 members to participate in exhibitions we will not waste our time organizing them.

Our AGM is coming up in September and we really need people willing to fill the vacant positions. We have approximately 130 members and it is not fair to expect the 4 willing members to do all the work.

Without more people to help I can not function properly and may have to close down. I hope that you will think about this and decide to help us keep it going.

Anyone who is ill, get better soon. Take care.

**Helen**

### **ARTIST TALKS 2009**

These are joint Project Artspace and I can events. We are hoping to book Project Artspace for a Friday night in late October this year and are now looking for people to apply for these positions. If you are accepted you will receive an allowance for the preparation of your images and information. You are encouraged to use the I can computer and data projector and a speaker system is also available. To apply to be a speaker, contact Anne-Marie Wharrie 42 674439 or email [wharrie@tpg.com.au](mailto:wharrie@tpg.com.au). These talks are not only incredibly informative, they are also fun and free. It is a great way for all of us as a diverse Arts group to get together for an enjoyable night of chitchat whilst learning something new about our fellow Artists.

Kindest regards

*Anne-Marie*

### **Borrowing ican equipment**

If anyone wants to borrow them (Screen, Projector, as has been the case),( Computer and Camera is with Kerry and Rae: 4285 4531) they can email Anne-Marie Wharrie on [wharrie@tpg.com.au](mailto:wharrie@tpg.com.au) or phone me on 42 674439. I will be away from 2<sup>nd</sup> September 2009 until 1<sup>st</sup> October 2009. If anyone wants to borrow them at this time, they would have to contact me well before these dates so I can arrange for them to pick them up from my house. A form needs to be filled in and a bond left for use of equipment, this will be returned on return of equipment (undamaged) date taken and date to be returned.

Thanks so much

*Anne-Marie*

## Inclusion on ICAN's website

Members Only! Artists Listing on the Internet.

Have you checked out our ICAN website lately?  
Check out [www.ican.asn.au](http://www.ican.asn.au) for information on our  
organisation, useful links, past newsletters and –most importantly- our artist listing.

Several Members have their works and a brief text about their work already included on the website. Check out the Artists A-Z section to see images of their works.

In a few weeks we will have included even more artists and their works. The works of these artists were photographed at last photo session at Clifton School of Arts, which took place at the end of last year.

- If you already have a listing online, please check if it is still up to date.
- If you would like to be included with your work in the artists listing, please write a brief bio and email up to 5 images of your works.
- Please try to supply images under 2MB in size. The text can be written in an email, or a Word file, that you attach to an email.

Email all images, your contact details and the text to [mail@bettinakaiser.com](mailto:mail@bettinakaiser.com) .

I will email you a document back, which you will need to print out and return with your signature, to accept your work being posted on the ICAN website and to let us know which contact information you would like to have displayed.

Thank YOU!

Here is to a strong ICAN web presence!
